

SOUP & SALAD MENU

Don't let it fool you..... our Soup and Salad Menu is hearty enough to handle a large appetite, but lite enough for a casual luncheon. All our soups are made from scratch using only fresh ingredients and our salads are all handcut using Greenleaf Crown lettuce and fresh produce.

All meals come with plateware, utensils, napkins, cups, ice, sweet and unsweet tea, fresh yeast rolls, and dessert (choose from our Executive Menu lists).
